

Musica - MYC Level 1

The **Music for Young Children** program is an opportunity for your family to jump into music lessons together. Parents attend this group class, and all participants learn the core musical skills of ear training, sight reading, solfege and singing in addition to playing the piano.

Sunshine 1 is for children ages 3 and 4. This entry level is a gentle introduction to playing piano with lots of singing, puppets and movement. Participants need to be age 3 by September 2017.

Sunbeam 1 is for children ages 5 and 6. As these children are accustomed to pattern identification this program moves quickly into note reading.

Moonbeam 1 is for children ages 7 - 10 and is an even more accelerated program.
